Wax - Dispersion Carnauba Milk (190)

Koster Keunen, LLC

Waxes of Superior Quality Since 1852

Authorized Distributor:

Description:

Carnauba Milk is an innovative, highly stable dispersion of 30% No.1 Carnauba Wax in water. Carnauba Milk allows a formulator to utilize the desirable natural properties of carnauba wax without having to apply heat to the formulation. Thus creating many new ap-

plication advantages and possibilities since processing requires no more energy than pouring, measuring and mixing.

Note: Specific product application recommendations are available on request.
